Suffolk County Council's Response to Second Letter from the Secretary of State requesting information, dated 31 March 2022

Suffolk County Council Registration ID Number: 20026012

4 April 2022

Dear Mr Leigh

This note is in response to your request in paragraph 5.1 of above letter, to confirm whether relevant unsigned statement of common grounds had been agreed by Suffolk County Council, with reference to [REP10-102; REP3-031; REP7-093; REP10-101]

I can confirm that the statement of common ground [REP10-102] was agreed by Suffolk County Council; the signature of the published document had been redacted.

Submissions [REP3-031] and [REP7-093] are not Statements of Common Ground, they are both documents by the Applicant in response to concerns raised by East Suffolk Council and Suffolk County Council in Draft Statement of Common Ground [REP2-076]. Thus these two documents have not been agreed by Suffolk County Council.

[REP10-101] is an Appendix to [REP10-102] relating to operational noise discussions between the Applicant and East Suffolk Council. Suffolk County Council had not been involved in the discussions referred to in [REP10-101], but, as [REP10-102] shows, Suffolk County Council does not have outstanding issues on this matter.

I hope this clarifies your query, but please do not hesitate to contact me if you require further information.

Your sincerely

Michael Moll
