Subject: Tilbury Gas Fired Power Station - National Infrastructure Project

Dear Susannah,

It was good to catch up with you on the telephone earlier today.

Further to our telephone conversation, I am writing to confirm that RWE Generation UK plc (formally RWE npower) is no longer perusing the development of it's Tilbury Gas Fired Power Station project. As a result of this position, could I please ask that you take steps to formally remove the project from your current listing of pre-application National Infrastructure projects.

Please don't hesitate to contact me should you require any further information or clarification.

Best Regards,

David Hinchliffe.
