Dear Mr Harries

**Planning Act 2008 (as amended) and The Infrastructure Planning  
(Examination Procedure) Rules 2010 (as amended)<sup>1</sup> – Rule 17, 23 and 8(3)**

**Application by Mynydd y Gwynt Ltd for an Order Granting Development  
Consent for the Mynydd y Gwynt Wind Farm**

**Request to allow further time, request for further information and  
notification to variation of the examination timetable**

In light of your correspondence dated Friday 10 April and subsequent correspondence received Monday 13 April 2015 confirming that you will not be able to submit comments by Deadline VII on cultural heritage matters, I am writing to notify you under Rule 23<sup>2</sup> that I have allowed further time for receipt of these comments and the deadline for this submission is **Monday 20 April 2015**.

I draw your attention to Deadline X, where I have requested receipt of updated Statements of Common Ground. In light of this deadline, could you please provide a summary statement confirming the latest position in finalising agreed Statements of Common Ground with relevant parties?

This summary statement should include where parties have agreed or not agreed on matters and whether it is likely that agreement with relevant parties will be reached before the close of the examination. The deadline for receipt of this information, requested in accordance with Rule 17<sup>3</sup> is by **Deadline VIII on Monday 20 April 2015**.

**Variation of examination timetable**

A consequent variation of the timetable has been made under Rule 8(3)<sup>4</sup> and this is contained in **Annex A** - see items 17-21.
