Dear Sirs

**Planning Act 2008**  
**Mynydd Y Gwynt Limited**  
**Mynydd Y Gwynt Wind Farm Application**  
**Planning Inspectorate Reference - EN010020**  
**Examination Timetable Deadline 3**

1. Written representations, local impact reports and responses to the ExA's first written questions have been provided to the ExA by the Interest Parties. The indexed document which accompanies this letter provides MYG's comments on the issues that have been raised in these documents, grouped by topic area.
2. We also attach a spreadsheet setting out the current position with regard to Statements of Common Ground, together with copies of those that have been agreed. Please note that at the time of writing although these have been agreed we await signed versions from the other interested party.
3. We have pressed other parties to respond with their comments upon the draft statements of common ground supplied by us to them in advance of Deadline 2. As indicated on the table, some have yet to respond, others have only just responded and we have not yet been able to consider their suggested revisions. We will work with these parties to seek to ensure that agreed statements of common ground are supplied, where outstanding, as soon as possible.
4. Should you require anything further or have any queries please contact us.

Yours sincerely
