Dear Sirs

Mynydd Y Gwynt Wind Farm Application
Planning Inspectorate Reference - EN010020

1. We write regarding the above matter. In accordance with Deadline V of the examination timetable, please find attached the following documentation:
 - Table of responses to the second written questions;
 - Appendices to the answers; and
 - The amended Draft Development Consent Order (in tracked and clean format, both in pdf and MS Word as requested).
2. Regarding the ASI, we agree that the inspection of points 1- 4 inclusive and 6 of the previously agreed site itinerary should be accompanied, and we are also content with the list of viewpoints suggested by the parties. However, aside from points 1- 4 and 6 above we believe there is no need for the Examiner to be accompanied, especially as many of the proposed viewpoints are remote and widely spaced, and only accessible on foot.
3. We enclose an updated Figure 6.5, again as requested.

Yours faithfully
