

## **Planning Inspectorate Ref. EN010020**

**Issue Specific Hearing held on 19<sup>th</sup> March 2015 to consider draft DCO (MYG tracked change version submitted for Deadline V).**

**Summary of Oral representations by Peter Foulkes (Reg. Identification no. 10029824)**

### **Interpretation**

#### 8 Benefit of Order

Queried whether this included liabilities of decommissioning bond.  
MyG confirmed that 8(3) takes liabilities too.

### **Authorised Development**

#### Work No 1

Different turbines could achieve planned energy (MW) output with fewer turbines; asked that actual number of turbines should be stipulated in DCO.

### **Requirements**

#### 16 Access management plan

Queried whether open access land on site would be subject to public closure during construction.  
MyG confirmed that that open access land would be closed during construction and would be compliant with the CROW Act.

#### 25 (4) Archaeology

Queried fencing around Waun Goch cairn.  
MyG agreed to add “during construction works” as per Clocaenog example
