Participation, conduct and management of hearings

- All interested parties are invited to attend the hearings.
- Each interested party is entitled to make oral representations at the hearings subject to the Examining authority's power to control the hearings. Please note interested parties who have already indicated their wish, by 6 October as indicated in our letter dated 15 October 2014, to take part are listed below. To assist in the management of the day, speakers have been allocated timeslots. Please see the

session list below for your allocated time slot.

- Due to the high level of interest, each interested party that has notified the Planning Inspectorate of their wish to make oral representations is allocated a maximum of 3 minutes of speaking time per party.
- Individuals who have not registered in advance may participate at the discretion of the ExA.
- You are advised not to repeat in your oral evidence material that has already been included in your Relevant Representation. This has been read by the ExA. You are also advised to submit in your Written Representation, following the OFH, any new evidence that you present in your oral submission. That way you can be sure it has been recorded accurately.
- A podium with a microphone will be provided and speakers will be asked to come forward to speak. During breaks between sessions groups of speakers for each session will be invited to come forward and occupy allocated seating.
- The applicant will be given an opportunity to respond to comments at the end of each session.
- This agenda is indicative and may be amended by the ExA.
