Dear Sir/Madam

Planning Act 2008 (as amended)

Application by E.ON Climate and Renewables UK Rampion Offshore Wind Ltd for an Order Granting Development Consent for the Rampion Offshore Wind Farm

Notification of the publication of documents

Please note, a number of documents which were submitted during the examination, have been identified as not being publicly available and published on the website. The documents are as follows:

- Public Health England's letter regarding Statement of Common Ground with E.ON which was submitted for deadline II
- National Grid's response to the Examining Authority's (ExA) first written questions submitted for deadline II
- Natural England's summary of its relevant representation and written representation submitted for deadline II
- E.ON's Statement of Common Ground with West Sussex CC and Horsham DC submitted for deadline IV
- E.ON's response to action points submitted for deadline IV

These documents can be found on the National Infrastructure pages of the Planning Portal website and can be accessed by following this link:

<http://infrastructure.planningportal.gov.uk/projects/south-east/rampion-offshore-wind-farm/?ipcsection=docs>. They are also available for viewing at the deposit document locations at the venues set out in the Rule 8 procedural letter sent on 25 July 2013.

In addition, your attention is drawn to the responses received to the ExA's letter of 13 January 2014 under Rule 8(3) and 17 which were received during the examination but published after the close of examination; these can be accessed by following this link:

http://infrastructure.planningportal.gov.uk/projects/south-east/rampion-offshore-wind-farm/?ipcsection=docs&stage=&filter=&date_type=published&from=17-01-2014&to=17-01-2014

As the examination is now closed the ExA cannot take any further representations into consideration. However, should you have any comments on these documents that you want to draw to the Secretary of State's attention, you can write to me by 28 March 2014, at the postal or email address above. We will forward any comments received on these documents to the Secretary of State for Energy and Climate change (DECC) for consideration alongside the Panel's report and recommendation.

If you have any further queries, please do not hesitate to contact us.

Yours faithfully

Kay Sully
