Dear Sir/Madam,

Thank you for your recent enquiry regarding the above location.

The Plant Enquiries Team has now completed your search, and the results are attached. Please note that we try to provide maps where ever available. On occasions where our records show the area is not affected, you may receive a map showing apparatus in the close proximity.

Should you require any further assistance in this matter, please email - plant.enquiries.team@virginmedia.co.uk or call: 0870 888 3116 (Option 2)

Thanks & Regards

Dear Alason

Thank you for your email.

Sorry for the providing incomplete grid references, I have found the following with further digging:

E: 515614

N: 419957

As before, this is for the North Killingholme New Power Station site and not necessarily the works subject to the non-material change application that is currently being consulted on.

Kind regards

James

Hi James,

The grids consist of 6 digits each the northing and easting.

Would you please help us with that.

Dear Aspar

Thank you for your email.

The grid reference for the North Killingholme Power Project site, not the specific works that are subject to the Non-Material Change (NMC) application, is as follows:

Easting: 157

Northing: 198

If you require more specific grid references for the works that are subject to the NMC application, you should contact the Applicant – C.GEN Killingholme Ltd – directly on the following email: projectkillingholme@cgenpower.com.

Kind regards

James

Hi Sir/Madam,

Many thanks for your email.

Would you please help us with the enquiry postcode or grids for the attached map, so it will help us to send the accurate results.

Thanks & Regards

Subject: The North Killingholme Consent order plan review request

Good afternoon

I have received the attached notice from The North Killingholme informing us of a non-material change to a development consent order previously sent to us. I have attached a copy of the consent order for your reference.

I contacted The North Killingholme requesting a plan for the impacted area a copy has been attached for your reference. Could you please confirm whether we have any equipment/interest in the area on the attached plan?

I look forward to hearing from you.

Kind regards

Jess

Plant Enquiry Ref: VM.1171516
Your Letter Date: 04.09.2020
Your Ref: NA
Date: 07.09.2020

Dear Sir /Madam

Enquiry Location:

North Killingholme New Power Station

Thank you for your enquiry regarding work at the above location.

Virgin Media and Viatel plant should not be affected by your proposed work and no strategic additions to our existing network are envisaged in the immediate future.

Should your request be in relation to a Residential New Development, Virgin Media would like the opportunity to assist with your diversionary quote and serve your site free of charge, offering your customers the fastest widely available broadband speeds on the market up to 500Mbps.

For Commercial New Developments our team can also be reached through the below link, ensuring future businesses to your site are connected to our fibre network.

Simply head over to www.virginmedia.com/developer and fill in the enquiry form and a member of our New Developments team will be in touch within 48 hours.

You will also find useful information about additional benefits to you and your site, plus a handy 'developers guide' can be downloaded with detailed installation requirements.

Or if you prefer to talk, please call the New Developments team on: 0800 408 0088 Option 2
Yours faithfully,

National Plant Enquiries Team

Email: plant.enquiries.team@virginmedia.co.uk

Please note: National Plant Enquiries Team (Bradford) cover and respond to plant enquiries for all ex ntl: Telewest franchise areas.

Important Information - please read The purpose of this plan is to identify Virgin Media apparatus. We have tried to make it as accurate as possible but we cannot warrant its accuracy. In addition, we caution that within Virgin Media apparatus there may be instances where mains voltage power cables have been placed inside green, rather than black ducting. Further details can be found using the "Affected Postcodes.pdf", which can be downloaded from this website. Therefore, you must not rely solely on this plan if you are carrying out any excavation or other works in the vicinity of Virgin Media apparatus. The actual position of any underground service must be verified by cable detection equipment, etc. and established on site before any mechanical plant is used. Accordingly, unless it is due to the negligence of Virgin Media, its employees or agents, Virgin Media will not have any liability for any omissions or inaccuracies in the plan or for any loss or damage caused or arising from the use of and/or any reliance on this plan. This plan is produced by Virgin Media Limited (c) Crown copyright and database rights 2020 Ordnance Survey 100019209.
