Dear Sirs,

### **EN010048: PROPOSED DEVELOPMENT CONSENT ORDER FOR THE WHITE ROSE CARBON CAPTURE AND STORAGE PROJECT**

Trinity House is the General Lighthouse Authority for England, Wales, the Channel Islands and Gibraltar with powers principally derived from the Merchant Shipping Act 1995 (as amended). The role of Trinity House as a General Lighthouse Authority under the Act includes the superintendence and management of all lighthouses, buoys and beacons within our area of jurisdiction.

Trinity House wishes to be a registered interested party due to the impact the development may have on navigation within Trinity House's area of jurisdiction. It is likely that we will have further comments to make on the application and the draft Order throughout the application process.

Please direct correspondence regarding this application to both of the following email addresses: [Thomas.arculus@thls.org](mailto:Thomas.arculus@thls.org) and [Navigation.Director@thls.org](mailto:Navigation.Director@thls.org)

Yours faithfully
