Dear Mr Williams

Planning Act 2008 (as amended) – Section 55

Application by Capture Power Limited for an Order Granting Development Consent for the White Rose Carbon Capture and Storage Project

Adequacy of consultation request

Thank you for consulting North Yorkshire County Council on the adequacy of consultation at the pre-application stage by the developer in relation to the above application. I can confirm that the County Council is satisfied the applicant has complied with the relevant duties.

This is subject to highlighting that, in the absence of a full Environmental Statement prior to submission, our comments so far may be subject to change when we have opportunity to consider those documents in due course.

Yours sincerely

Rachel Wigginton
