Dear Sir or Madam,

In response to your letter dated 12 February 2016, we would like to provide the following update regarding the Environmental Permit application for the White Rose CCS project.

We can confirm that the applicant wrote to us on 5 January 2016 requesting the withdrawal of their Environmental Permit application. We responded on 13 January 2016 confirming the withdrawal and returning the application documents to Drax Power Ltd.

I trust this provides a helpful update.

Kind regards
