Dear Sir/Madam

**Planning Act 2008 (as amended) and The Infrastructure Planning
(Examination Procedure) Rules 2010 (as amended) – Rule 13**

**Application by Knottingley Power Limited for an Order Granting Development
Consent for the Knottingley Power Project**

**Notice of provisional agenda for the Issue Specific Hearing on the draft
Development Consent Order and Water Resource issues to be held on 16 July
2014 at the Knottingley Town Hall (Registration 9:30 and 10am start)**

In order to allow all parties adequate time to prepare for the Issue Specific Hearing on the draft Development Consent Order and Water Resource issues to be held on 16 July 2014, I am circulating the agenda for the hearings.

This identifies the main topics on which I shall be asking questions.

Yours faithfully

Elizabeth Hill

Examining Authority**

Advice may be given about applying for an order granting development consent or making representations about an application (or a proposed application). This communication does not however constitute legal advice upon which you can rely and you should obtain your own legal advice and professional advice as required.

A record of the advice which is provided will be recorded on the Planning Inspectorate website together with the name of the person or organisation who asked for the advice. The privacy of any other personal information will be protected in accordance with our Information Charter which you should view before sending information to the Planning Inspectorate.

Agenda for the Issue Specific Hearing on the draft Development Consent Order and Water Resource issues to be held on 16 July 2014.

- 1) ExA's introduction
- 2) Water resources
- 3) DCO
- 4) Requirements and S106
- 5) AOB

Please note: under **Item 4** I would like to discuss the extent to which the proposed requirements and s106 can secure adequate mitigation for the landscape impacts. As such, where possible, landscape representatives should be present.
