Hearings

In accordance with Rule 14(3) of the Infrastructure Planning (Examination Procedure) Rules 2010 (as amended), any oral representations made at hearings should be based on representations previously made in writing by the particular participant.

Should the consideration of the issues take less time than anticipated, I may conclude the hearing as soon as all relevant contributions have been made and all questions asked and responded to. If there are additional matters to be dealt with or if further time is required I may adjourn the hearing and continue at a subsequent sitting.

At least a week before the hearings an agenda will be published on the Knottingley project page of the National Infrastructure pages of the Planning Portal website. Therefore I would advise all interested parties to regularly check these pages, which can be accessed by following the link below:

<http://infrastructure.planningportal.gov.uk/projects/yorkshire-and-the-humber/knottingley-power-project/>

It would help with the management of the hearings if you can let the Knottingley Power Case Team know by **12.00 noon on Thursday 24 April 2014**, in writing or by email via the contact details at the top of this letter, if:

- You will be attending
- You wish to speak at the meeting
- You could tell us of any special needs you may have (e.g disabled access, hearing loop)

Accompanied site visit (ASV)

In addition to the hearings above, an ASV is scheduled to take place on **Tuesday 13 May 2014**. The site visit will begin at **Knottingley Town Hall, Weeland Road, Knottingley, WF11 9DG at 9.30am**. Transport will be provided to take attendees to the application site and will then visit a number of locations in the vicinity.

I would be grateful if parties wishing to attend the accompanied site visit could advise the case team in writing (by email or post) by **12.00 noon on Thursday 24 April 2014** indicating:

- If you wish to attend the accompanied site visit
- If you have any suggestions of particular locations/viewpoints you wish the site visit to include in the surrounding area
- Provide us with shoe and coat size for the Personal Protective Equipment (PPE) that will be required for the application site
- If you have restricted mobility and require a vehicle with wheelchair access.

Please provide your interested party reference number in any communication and mark it for the attention of the Knottingley Power Case Team.

Confirmation and further details of the arrangements for the site visit will be sent to registered attendees at approximately a week before the site visit takes place.

If you have any further queries, please do not hesitate to contact the case team at the address at the top of this letter.

Yours faithfully

Elizabeth Hill
