---

Dear Sir/Madam,

Please find Natural England's formal response to the joint NMC application by Sofia offshore wind farm and Dogger Bank C (formerly Teesside A) offshore wind farm attached to this email.

Please come back to me if you have any questions or queries.

Many thanks,  
Josh

During the current coronavirus situation, Natural England staff are working remotely to provide our services and support our customers and stakeholders. All offices and our Mail Hub are closed, so please send any documents by email or contact us by phone or email to let us know how we can help you. See the latest news on the coronavirus at <http://www.gov.uk/coronavirus> and Natural England's regularly updated operational update at <https://www.gov.uk/government/news/operational-update-covid-19>.

Stay alert, protect the NHS, save lives.

We now offer free and chargeable advice to land owners and managers planning works on Sites of Special Scientific Interest through [SSSI Advice Service](#).

To help Developers consider the environment Natural England offers two chargeable services:

- the [Discretionary Advice Service \(DAS\)](#) which can provide advice on planning/licensing proposals;
- the [Pre-submission Screening Service \(PSS\)](#) for European Protected Species mitigation licence application

Dear Sir / Madam,

**Joint Application for Non-Material Changes to the Dogger Bank Teesside A&B Development Consent Order.**

The Planning Inspectorate has consulted online on 13 May 2020 regarding the joint application by Sofia Offshore Wind Farm and Dogger Bank C (formerly Teesside A) Offshore Wind Farm to make a Non-Material Change (NMC) to the Dogger Bank Teesside A&B Development Consent Order (DCO).

The following constitutes as Natural England's formal response.

Natural England has reviewed the proposed changes to the DCO and assessed the provided information which supports the NMC. Natural England are of the view that the change will not result in additional environmental impacts and will not adversely affect any protected sites or species.

For any queries relating to the content of this letter please get back in contact with Natural England.

Yours sincerely,

Josh Parker
