Dear Sirs

**PLANNING ACT 2008 ("PA 2008") AND THE INFRASTRUCTURE PLANNING (APPLICATIONS: PRESCRIBED FORMS AND PROCEDURE) REGULATIONS 2009
Hornsea Two Offshore Wind Farm Order Application Reference EN010053 ("the Application") –
Electronic Version of Aviation, Military and Communication Technical Report (Doc ref 7.5.8.1)**

SMart Wind Limited on behalf of Optimus Wind Limited and Breesea Limited (together "the Applicant") submitted the Application for development consent for Hornsea Project Two on 30 January 2015. The Application was subsequently accepted for examination by the Planning Inspectorate on 19 February 2015.

Following acceptance the Applicant has become aware that the electronic version of the Aviation, Military and Communication Technical Report (Doc ref 7.5.8.1) which forms part of the Environmental Statement accompanying the Application was incorrectly uploaded to the USB memory stick provided to the Planning Inspectorate.

For the avoidance of doubt three hard copies of the Aviation, Military and Communication Technical Report (Doc ref 7.5.8.1) were submitted along with the Application on 30 January 2015 and we are aware that you have kindly acknowledged receipt.

Please therefore find an electronic version of the Aviation, Military and Communication Technical Report (Doc ref 7.5.8.1) attached along with this letter for your use. We would be grateful if you could please make this electronic version available along with the other electronic Application documents on the Hornsea Project Two Planning Inspectorate webpage.
