Dear Sir/Madam,

Application by SmartWind Limited for an Order Granting Development Consent for Hornsea Offshore Wind Farm (Zone 4) - Project Two

Planning Act 2008 (as amended) and the Infrastructure Planning (Examination Procedure) Rules 2010 (as amended) Rule 8

The above application has been submitted and the examination has commenced. As the Lincolnshire Wolds AONB lies close to a section of the proposed site, you have been invited to comment on a Landscape Question (LH13) relating to this proposal. However, as you have not registered to become an Interested Party, you were not informed of this. Please find a link to the Examining Authority's first round of written questions and requests for information below. I draw your attention to Question LH13 (please find the link [here](#)).

The Landscape and Visual Resources document referred to in the question is available as APP-046 in the Examination Library which can be found on the project page of the National Infrastructure Planning website [here](#). The rule 8 letter detailing the examination procedure can also be found on this link.

Please can you send any response to question LH13 by Monday 10 August 2015 (deadline 2 of the examination) to the above postal address or by email to Hornsea2@pins.gsi.gov.uk.

If you require further clarification please contact the case team on the above details or call the Planning Inspectorate's helpline on 0303 444 5000.

Yours faithfully,

John Glasson
