Hornsea 2 Team,

I am writing regarding the First Round of the Examining Authorities Written Questions, North Lincolnshire Council has not submitted formal responses to the relevant questions as it was felt that these questions were answered within the LIR. I have however decided to ask consultees to review the specific questions and provide answers to give a clearer indication of this authorities position on these key issues.

It is my intention to collate these before the end of the week and submit them for your consideration if this is acceptable?

I apologise for the delay.

Kind Regards

Mark Beevers
