Dear Sirs

Further to the response of North East Lincolnshire Council in relation to questions CL14 and CL15 and comments made in the SoCG and LIR the following update is provided;

It is now confirmed that having further reviewed the issue in relation to the A18 in more detail, to assess the impact the proposal may have, North East Lincolnshire Council is content with the mitigation measures proposed by the applicant and have no further comments to make at this stage.

I trust this is of value

Regards

Martin
