

Hornsea Project One - Deadline 3 Submission

Hornsea Project Two

Issue Specific Hearing and Compulsory Acquisition Hearing 15 to 17 September 2015

Summary of Case

- 1 This summary of case is submitted on behalf of Heron Wind Limited, Njord Limited and Vi Aura Limited (the Project One Companies).
- 2 The Project One Companies were represented at the hearings pursuant to a letter from Burges Salmon LLP to the Examining Authority (ExA) dated 10 September 2015. As explained in that letter, the Project One Companies confirmed to the ExA at the hearings that all matters between them and the Applicant for Project Two have been resolved. In particular, the Project One Companies confirm that their representations pursuant to section 127 Planning Act 2008 have been withdrawn on the basis that the agreed Protective Provisions are included in the DCO, if granted.
- 3 At the Issue Specific Hearing under agenda item 2.3, it was explained that certain distances needed to be included in the agreed Protective Provisions included with the signed Statement of Common Ground. These distances have now been agreed between the Applicants and the Project One Companies. They are set out in Section 2 of the Summary of Case being submitted on behalf of the Applicant, which the Project One Companies have seen in advance, and will be reflected in the next iteration of the draft DCO to be submitted by the Applicant.
