Dear Sir/ Madam,

**Re: EN010053 – HORNSEA (ROUND 3, ZONE 4) OFFSHORE WIND FARM:
PROJECT TWO**

Thank you for your letter of 29 September.

Responses to second round of written questions.

With regard to the second round of written questions we would comment as follows:

Ref.	Question	Answer
G10	<i>"Please explain in the light of the advice on changing an application post acceptance (Guidance for the examination of applications for development consent, March 2015) why the changes to the Order made in respect of (a) the reduction in size of plot 506 and proportionate increase to plot 505 on Land Plan sheet 27 of 27; and (b) the amendment to the Offshore Works Plans to reflect the reduction in order limits to remove one of the Project's export cable route options within the Hornsea Project 1 wind farm array are not being treated as material amendments? (REP3-027)"</i>	No comment.
DC31	<i>"Is the MMO now satisfied with the latest version of the DMLs? If not, what further amendments do they require?"</i>	We note this question is specifically addressed to the MMO but we would also like to reply because we made several comments on the DMLs in our 1 st round replies. Trinity House is

		content with the DMLs as drafted in Version 4 of the Draft DCO.
