Dear Sophie,

**Hornsea Two Offshore Wind Farm Order (the "DCO")
Consent from Highways England Company Limited**

Highways England Company Limited ("HE") holds certain interests within land included within the proposed DCO as detailed in Part 1 of the Book of Reference and shown edged red on the land plans forming part of the DCO application.

HE hereby withdraws all representations previously made in respect of the Application and confirms that it has no objection to the grant of the DCO including compulsory acquisition powers and/or powers of temporary possession in respect of land in which it has an interest provided that those powers only grant the Undertaker a right to place apparatus in Highways England land and to obtain access for such purposes; and to take temporary possession to facilitate construction, operation and maintenance of the project (subject to complying with the New Roads and Street Works Act 1991).

Yours faithfully

Signed by Mandy Foster, Asset Development Team Leader
For and on behalf of Highways England Company Limited
