APPENDIX R – TABULAR OVERVIEW OF INTERETS HELD BY HIGHWAYS ENGLAND (“HE”)

Please see Appendix Q of the Applicant’s response to Deadline V for a letter of confirmation from Highways England that it has no objection to the grant of the Order including compulsory acquisition powers and/or powers of temporary possession in respect of land in which it has an interest, as set out therein.

Title	Plot	Nature of interest held by HE	Powers of Compulsory Acquisition sought under Articles 18 and 19 of the Order and/or Powers of Temporary Possession sought under Articles 26 and 27 of the Order	Justification
LL124513	175	Relates to rights in adjoining land to the A16. The rights are in respect of construction and improvement works and registered in favour of the Secretary of State for Environment (when Transport was previously subsumed within that department). HE is the presumed beneficiary of these rights as the successor in land matters to the Secretary of State for Transport.	Rights or restrictive covenants as may be required for the purpose of installing, retaining, maintaining and operating apparatus (and to impose requirements for its protection) within an up to 30 metre corridor within the Order land and to obtain access for such purposes and the power to enter on and take temporary possession.	Necessary for the purposes of the Project’s cable corridor.
LL124513	176	Relates to rights in adjoining land to the A16. The rights are in respect of construction and improvement works and registered in favour of the Secretary of State for Environment (when Transport was previously subsumed within that department).	The power to enter on and take temporary possession and use for the purposes of laying of temporary public footpaths and bridleways.	Necessary for the purposes of laying of temporary public footpaths and bridleways.

		HE is the presumed beneficiary of these rights as the successor in land matters to the Secretary of State for Transport.		
LL124513	178	Relates to rights in adjoining land to the A16. The rights are in respect of construction and improvement works and registered in favour of the Secretary of State for Environment (when Transport was previously subsumed within that department). HE is the presumed beneficiary of these rights as the successor in land matters to the Secretary of State for Transport.	The power to enter on and take temporary possession and use for the purposes of laying and using a temporary vehicular access track.	Necessary for the purposes of laying and using a temporary vehicular access track.
LL124513	179	Relates to rights in adjoining land to the A16. The rights are in respect of construction and improvement works and registered in favour of the Secretary of State for Environment (when Transport was previously subsumed within that department). HE is the presumed beneficiary of these rights as the successor in land matters to the Secretary of State for Transport.	The power to enter on and take temporary possession and use for the purposes of worksite and access for the construction and carrying out of the authorised project.	Necessary for the purposes of worksite and access for the construction and carrying out of the authorised project.
LL124513	181	Relates to rights in adjoining land to the A16. The rights are in respect of construction and improvement works and registered in favour of the Secretary of State for Environment	The power to enter on and take temporary possession and use for the purposes of laying and using a temporary vehicular access track.	Necessary for the purposes of laying and using a temporary vehicular access track.

		(when Transport was previously subsumed within that department). HE is the presumed beneficiary of these rights as the successor in land matters to the Secretary of State for Transport.		
LL124513	182	Relates to rights in adjoining land to the A16. The rights are in respect of construction and improvement works and registered in favour of the Secretary of State for Environment (when Transport was previously subsumed within that department). HE is the presumed beneficiary of these rights as the successor in land matters to the Secretary of State for Transport.	The power to enter on and take temporary possession and use for the purposes of laying and using a temporary vehicular access track.	Necessary for the purposes of laying and using a temporary vehicular access track.
LL124513	183	Relates to rights in adjoining land to the A16. The rights are in respect of construction and improvement works and registered in favour of the Secretary of State for Environment (when Transport was previously subsumed within that department). HE is the presumed beneficiary of these rights as the successor in land matters to the Secretary of State for Transport.	Rights or restrictive covenants as may be required for the purpose of installing, retaining, maintaining and operating apparatus (and to impose requirements for its protection) within an up to 30 metre corridor within the Order land and to obtain access for such purposes and the power to enter on and take temporary possession.	Necessary for the purposes of the Project's cable corridor.
LL124513	184	Relates to rights in adjoining land to the A16. The rights are in respect of construction and improvement works	The power to enter on and take temporary possession and use for the purposes of worksite and access	Necessary for the purposes of a worksite compound.

		and registered in favour of the Secretary of State for Environment (when Transport was previously subsumed within that department). HE is the presumed beneficiary of these rights as the successor in land matters to the Secretary of State for Transport.	for the construction and carrying out of the authorised project.	
LL124513	185	Relates to rights in adjoining land to the A16. The rights are in respect of construction and improvement works and registered in favour of the Secretary of State for Environment (when Transport was previously subsumed within that department). HE is the presumed beneficiary of these rights as the successor in land matters to the Secretary of State for Transport.	The power to enter on and take temporary possession and use for the purposes of worksite and access for the construction and carrying out of the authorised project; and The power to enter on and take temporary possession and use for the purposes of a Compensation Access in respect of vehicular access track to and from a Compensation Compound.	Necessary for the purposes of a worksite compound and access; and necessary for the purposes of a compensation access.
