Dear David

**Hornsea Offshore Wind Farm Project 2 - non-material amendment to DCO relating to substation area
Hornsea Project 2, North Sea and Killingholme**

Thank you for consulting us on your proposed submission to BEIS for a non-material amendment to the Hornsea Project Two onshore substation.

We have considered the submission and I can advise that we agree with the assessment in the Supporting Information report (appendix C) that the proposed changes would not have a material effect on flood risk or drainage. I can confirm that we have no other comments or concerns relating to the proposed submission.

Should you require any additional information, or wish to discuss these matters further, please do not hesitate to contact me on the number below.

Yours sincerely

**Annette Hewitson
Principal Planning Adviser**
