Subject: Re: Hornsea Project Two - Onshore substation NMA

Good morning David,

Apologies for the delay in responding to you.

I can confirm that North Lincolnshire Council received notice of the application for a non-material amendment to the Hornsea Two Offshore Windfarm Order 2016 on 6 November 2017. On this basis the Council has been consulted about the application as required by Regulation 7 of the Infrastructure Planning (Changes to, and revocation of, Development Consent Orders) Regulations 2011 and in the form and manner required by Regulation 68 of those regulations. The Local Planning Authority does not require a hard copy of the notice or any supporting documents in addition to the electronic notice received.

Having consulted internally, I can also confirm that the local planning authority has no objections, or comments to make in relation to the proposed amendment.

Hopefully this has provided the necessary clarification; however do not hesitate to contact me should you wish to discuss this matter further.

kind regards

Andrew Law
