Dear Sir/Madam

the Infrastructure Planning (Examination Procedure) Rules 2010 – Rule 8(3)
and Rule 17**

**Application by Wrexham Power Ltd for an Order Granting Development

Requests for further information and comment

The Examining Authority (ExA) has reflected on matters raised in responses provided at Deadline 7 on 4 January 2017 and has decided to request further information and documentation as set out in a table of questions that it has published at the following link:

<http://infrastructure.planninginspectorate.gov.uk/document/EN010055-001568>

The deadline for the submission of the information sought in the questions is **Deadline 8, Thursday 12 January 2017 at 11:59pm.**

The deadline for the submission of comments on any of the information provided at Deadline 8 is **New Deadline 9: Tuesday 17 January 2017 at 11:59pm.**

Because the examination timetable has been changed in order to enable the ExA to ask these questions, the law requires that all interested parties (IPs) and Statutory Parties must be notified. However, the questions are targeted at specific IPs, identified in the table. Whilst all IPs are welcome to respond to any question that is relevant to their circumstances, responses are only expected from the IPs named in the table.

A timetable variation providing for the issue of and responses to these questions is included with this letter at **Annex A**.

Should any IP or Statutory Party have any queries regarding the content of this letter or require assistance with access to electronic documents linked to this letter, they are requested to contact the Case Team using the details listed at the top of this letter.

Yours faithfully

Rynd Smith
