Dear Sirs

We act for National Grid Gas Plc ("National Grid") in relation to the above.

National Grid and the Applicant have now finalised agreed wording for protective provisions and concluded the terms of a confidential side agreement for the protection of National Grid's apparatus. National Grid can confirm that it is satisfied that its interests in the Order land and apparatus are adequately protected and that it wishes to withdraw its representations in respect of the Application.

Please do not hesitate to contact me if you require anything further.

Kind regards

Sarah
