Dear Sir / Madam,

**PLANNING ACT 2008 (AS AMENDED) – SECTION 89 AND

AMENDED) – RULE 17**

**PROJECT REFERENCE EN010055: WREXHAM ENERGY CENTRE:

On behalf of Wrexham Power Limited I enclose the following items in response to representations made subsequent to the Examining Authority's Rule 17 letter dated 9<sup>th</sup> January 2017:

1. **Land Plans including Crown Land Rev 5 – Document 2.2**
2. **Draft Order – Document 3.1 Revision 7**
3. **Explanatory Memorandum to Draft Order – Document 3.2 Revision 2**
4. **Applicant's response to representations made at Deadline 8 – Document 18.1**
5. **The Applicant's Response to Chris Briggs D7 submission – Document 18.2**
6. **Comparison version of Revision 1 and Revision 2 of the Explanatory Memorandum – Document 18.3**
7. **Comparison version of Revision 6 and Revision 7 of the dDCO – Document 18.4**
8. **Schedule of changes to the Land Plans – Document 18.5**

We have been in conversation and correspondence with the solicitor for the Welsh Ministers. They have confirmed that they will be confirming in writing that the original consent, submitted in Appendix 4 of the Applicants Appendices to the Response to the ExA's First Written Questions [REP1-033], also applies to Plots SAT5, SAT6 and SAT7 and referred to in Question 5 in the Examining Authority's Request for further Information [PD-014]. Unfortunately the confirmation has not been received in time to submit for Deadline 9 so the Applicant will forward a copy once it is received.

I hope that everything is clear. Please contact me if this is not the case.

Yours faithfully,

**Karl Cradick**
