Dear,

**Public Information Days for East Anglia THREE and East Anglia FOUR**

East Anglia Offshore Wind Limited (EAOW), the joint venture owned 50:50 by ScottishPower Renewables Limited and Vattenfall Wind Power Ltd, is holding public information days this week to provide information on two further projects – East Anglia THREE and East Anglia FOUR.

The events will be held in Bawdsey, Woodbridge and Bramford, at the venues and times outlined in the table below.

Town	Venue	Date	Time
Bawdsey	Bawdsey Village Hall, IP12 3AH	Tuesday, 1 <sup>st</sup> October	2pm – 7pm
Woodbridge	The Shire Hall, IP12 4LP	Wednesday, 2 <sup>nd</sup> October	2pm – 7pm
Bramford	Bramford Church Rooms, IP8 4AT	Thursday, 3 <sup>rd</sup> October	2pm – 7pm

The public information days follow the publication of Statements of Community Consultation for both projects. These documents provide an outline of the consultation process proposed for East Anglia THREE and East Anglia FOUR and were advertised in the local press on 17<sup>th</sup> September. The documents, as well as other information about the projects, are available to view on the following project websites:

East Anglia THREE:

East Anglia FOUR:

EAOW is keen to hear your views and invites you to come along and meet members of the project teams, who will be pleased to answer your questions. If you would like to provide comments following these events, we would ask that you do so by 31<sup>st</sup> October to:

e-mail: [eastangliathree@eastangliawind.com](mailto:eastangliathree@eastangliawind.com)

Please note, East Anglia THREE and East Anglia FOUR are separate projects and are treated as such for the purposes of consultation, so if you plan to make your comments by e-mail, please ensure you register your details on the website for the project you wish to refer to. For example, if commenting on East Anglia THREE, you will need to register on the website for that project. You can, of course, comment on both projects, in which case you will need to register on both websites.

If you prefer to comment by post, please make it clear in your letter which project you are referring to, thank you.

Yours sincerely,

Joanna
