Subject: East Anglia THREE Offshore Windfarm - Consultation 19th June - 23rd July 2015

Dear Parish Councils

Re: East Anglia THREE Offshore Windfarm - Consultation 19th June – 23rd July 2015

Further to my email of 14th April 2015, I am writing to provide more information about a forthcoming and additional round of consultation for the East Anglia THREE Offshore Windfarm Project.

As mentioned in my previous email, the Contract for Difference (CfD) regime introduced at the end of 2014, created some uncertainty regarding budget allocations for future energy projects. With that in mind, East Anglia THREE Limited has introduced a number of changes to the project to ensure it can be flexible in size and scale to compete for a share of any future budget allocations. These changes are to be consulted upon under Section 42 of the Planning Act 2008, from 19th June to 23rd July, and will be set out in an East Anglia THREE Phase III Consultation Report.

In addition, East Anglia THREE has updated its Statement of Community Consultation (SoCC), which was originally published in September 2013, to inform the wider public of proposed changes to the project and how the team intends to consult on them. The updated SoCC will be published on 11th June and will be available for inspection (free of charge) at the following libraries and the East Anglia THREE website:

Ipswich County Library
Lowestoft Library
Woodbridge Library
Hadleigh Library
Felixstowe Library

<http://eastangliathree.eastangliawind.com>

During the consultation we welcome feedback on the proposed changes to the project and the assessment of its environmental impacts as outlined in the documents provided. These documents comprise the East Anglia THREE Phase III Consultation Report and the updated SoCC. Documents from previous consultations will also be made available for reference purposes at all of the libraries above, except Hadleigh Library which will not have a copy of the Preliminary Environmental Information Report as published in 2014.

The East Anglia THREE Phase III Consultation report will be sent to yourselves, the parish councils, (along with the updated SoCC) and it will also be available for inspection, along with supporting documentation, at two Public Information Days:

22nd June 2015	Bramford Church Rooms, Ship Street, Bramford, IP8 4AL	12noon to 7pm
23rd June 2015	Woodbridge Library, New Street, Woodbridge, IP12 1DT	12noon to 7pm

Project team members will be available at these Public Information Days to discuss the project in detail. In addition, you will find more information on the ScottishPower website:
http://www.scottishpowerrenewables.com/pages/east_anglia_one.asp

I have attached a poster advertising this consultation, together with the public information days listed above. We would be grateful if you could put this poster on your parish notice boards, to ensure that people locally are aware that the consultation is taking place and that they have a chance to air their views at these two events.

Meanwhile, if you have any further questions, please don't hesitate to contact me.

Kind regards,

Joanna

21.2 Attachment to email sent to Parish Councils informing them of Phase III consultation

East Anglia THREE Offshore Windfarm consultation events

In September 2013 we published a Statement of Community Consultation (SoCC) outlining how we would consult with local communities and businesses throughout our development of the proposed East Anglia THREE Offshore Windfarm. In June 2015 we will be publishing an update to the SoCC to inform you about some recent changes we have made to project proposals, as well as to provide more information on ways you can let us know what you think. This SoCC update will be available from the 11th June at the libraries detailed below and on the East Anglia THREE website at <http://eastangliathree.eastangliawind.com/>.

In addition, to provide more detail on what the changes to our proposals may mean for you, in June we will be publishing an update to the Preliminary Environmental Information Report, titled the 'Phase III Report', which we previously published in summer 2014.

To support the above consultation, in June 2015 we will be hosting two Public Information Days (PIDs), in line with Section 42 and Section 47 of the Planning Act 2008, giving you the opportunity to meet the project team, view our updated reports and ask any questions you may have. We invite everyone to attend.

- 22nd June 2015, 12:00 – 19:00, Bramford Church Rooms, Ship Lane, Bramford, IP8 4AL
- 23rd June 2015, 12:00 – 19:00, Woodbridge Library, New Street, Woodbridge, IP12 1DT

Further information about the project, the Preliminary Environmental Information Report and our Statement of Community Consultation is available on <http://eastangliathree.eastangliawind.com/>. Copies are also available for review at the following libraries between the 19th June 2015 and the 23rd July 2015.
