Dear Mr Wightman

**Planning Act 2008 (as amended) (PA 2008) and the Infrastructure Planning (Examination Procedure) Rules 2010 (as amended) (EPR) – Section 88 and Rule 6**

**Application by East Anglia THREE Limited for an Order Granting Development Consent for the East Anglia THREE Offshore Wind Farm**

**Other Person status in examination**

Following your request on 23 April 2016 under s102A to become an interested party, we have been unable to determine whether you meet the criteria in s102A of the PA2008 as this is for parties who have a legal interest in land affected by the scheme and have not already registered to become an interested party. If you consider that you do meet the criteria, please provide us with further information which will be forwarded to the Examining Authority (ExA).

In the meantime, your submission has been reviewed by the ExA and a decision has been taken to provide you with 'Other Person' (OP) status in the examination. Your Representation will be published as correspondence on the project webpage and you will receive relevant correspondence from the Inspectorate in relation to this examination.

Under Section 88(3) of the PA2008 and Rule 6(1) of the Examination Procedure Rules (EPR), the ExA can invite other persons they consider to be appropriate to the Preliminary Meeting (PM) which will be issued in the Rule 6 letter. Any person who is invited to the PM in this way will also be sent, for information purposes, the Rule 8 letter which confirms the examination timetable. They will also be sent any amendments to that timetable under Rule 8(3) of the EPR.

Importantly you should be aware that there is no automatic right for other persons to make representations during the course of the examination, as they do not have the status of interested parties. If you wish to make representations however, you should submit them to the ExA to the appropriate deadlines set out in the examination

timetable. You may also request to speak at any hearings. Under the EPR the ExA has discretion to allow representations from other persons, both written and oral, to be read or heard in conjunction with the examination.

If you have any questions, or require clarification in relation to the content of this letter, please do not hesitate to contact me.

Yours sincerely

*Kay Sully*

Advice may be given about applying for an order granting development consent or making representations about an application (or a proposed application). This communication does not however constitute legal advice upon which you can rely and you should obtain your own legal advice and professional advice as required.

A record of the advice which is provided will be recorded on the National Infrastructure Planning website together with the name of the person or organisation who asked for the advice. The privacy of any other personal information will be protected in accordance with our Information Charter which you should view before sending information to the Planning Inspectorate.
