Dear Jonathan,

As discussed, the East Anglia THREE Examination Panel has asked that Network Rail confirm whether it is content with the Protective Provisions as appended to the East Anglia THREE draft DCO - PART 3, Protection of Network Rail Infrastructure Limited (attached). These mirror the East Anglia ONE protective provisions, which were previously agreed with Network Rail as part of the examination process for the East Anglia ONE Order.

Notwithstanding that negotiations are continuing between us to enable Network Rail to withdraw the concerns raised in its relevant representation, I would be grateful if you could please confirm that the form and content of the Protective Provisions included in the draft Order for East Anglia THREE are acceptable to Network Rail. Please note that I propose to submit this email and your reply to PINS in response to the Examination Panel's request.

Kind regards

Catherine
