Dear Sir/Madam

**Planning Act 2008 (as amended) – Section 89 and the Infrastructure
Planning (Examination Procedure) Rules 2010 – Rule 17**

**Application by East Anglia Offshore Ltd for an Order Granting Development
Consent for the East Anglia THREE Offshore Wind Farm**

Request for further information

On the 3 August 2016, the Examining Authority (ExA) notified all Interested Parties that the Applicant had updated its environmental information in relation to: the project's likely effects on the Orford Inshore recommended Marine Conservation Zone; Traffic Impact Assessment; and its Seascape, Landscape and Visual Amenity Impact Assessment and visualisations. As this information was not part of the application, the Applicant voluntarily undertook consultation on the information outside of the Examination.

The documents were hosted on the Applicant's website:

http://www.scottishpowerrenewables.com/pages/east_anglia_three_downloads.asp.

Consultation on this material closed on 29 August 2016, the Applicant, on 31 August 2016 submitted the information and the consultation responses to the ExA.

The ExA has reviewed this information and has decided to accept this information into the Examination. All documentation has been published on the Planning Inspectorate website and can be viewed on the project page:

<https://infrastructure.planninginspectorate.gov.uk/projects/eastern/east-anglia-three-offshore-wind-farm/?ipcsection=overview>

This information has been in the public domain since the commencement of the consultation and will be discussed, as far as it possible at the forthcoming hearings. The ExA requests that any representations to be made in writing, commenting on this information, should be submitted by Deadline 4, 15 September 2016.

Should any Interested Party have any queries regarding the content of this letter, they are requested to contact the case team using the details listed at the top of this letter.

Yours faithfully

Philip Asquith
