Dear Ms Evans,

During the last weeks, we have prepared the public consultation about the East Anglia project. So, I'm happy to let you know that the public consultation will be held in the department of Nord and Pas-de-Calais between November 16th and December 16th. At the end of this process we will send you, during the beginning of January 2017, the French report about the windfarm project.

We are staying at your disposal for any further information.

Yours sincerely,

Jean HARRAS
