The East Anglia THREE Offshore Wind Farm Order 2017 (as amended) - Application for a Non-material Change (No.3) 2021 – Response to NATS Objection withdrawal

In August 2021 East Anglia Three Limited (EATL) submitted an application for a non-material change to the East Anglia THREE Offshore Wind Farm Order 2017 (as amended) (2017 Order (as amended)). An Objection was received from the National Air Traffic Services (NATS) during the consultation period in relation to potential impacts on the Cromer Radar.

Following engagement to resolve these concerns, NATS have withdrawn their objection. This letter confirms that EATL support this withdrawal.

We would be grateful if you would acknowledge safe receipt of this letter. If you have any questions, please do not hesitate to contact us

Yours Sincerely,

Catherine Sibley
