East Anglia THREE Limited

Date: 2 August 2022

Dear Mr Rew-Williamson,

Application by East Anglia THREE Limited (“the Applicant”) for a non-material change to the East Anglia Three Offshore Windfarm Development Consent Order

1. The Secretary of State received a consultation response, dated 18 October 2021, from the Ministry of Defence, Defence Infrastructure Organisation (“DIO”). The consultation response can be accessed here: https://infrastructure.planninginspectorate.gov.uk/wp-content/uploads/projects/EN010056/EN010056-002513-20211018_17608-EA3_DCO_Non_Mat_App-MOD_no_obj_cond_Resp.pdf
2. The consultation response stated that all references to the “Defence Infrastructure Organisation Safeguarding” included in the DCO should be amended to replace the postal address with the new DIO postal address. The Secretary of State requests confirmation from East Anglia THREE Limited that it has no objection to this amendment being made.
3. This letter is without prejudice to the Secretary of State’s consideration of whether to grant or withhold development consent for the East Anglia ONE North project. Nothing in this letter is to be taken to imply what the eventual decision might be or what final conclusions the Secretary of State may reach on any particular issue which is relevant to the determination of the application.

Yours faithfully,

Gareth Leigh

Gareth Leigh
Head of Energy Infrastructure Planning
