Dear Iwan

In accordance with today’s deadline we wish to update the Examining Authority that National Grid Gas Plc and National Grid Electricity Transmission plc (“National Grid”) have agreed satisfactory protective provisions and a confidential commercial side agreement with the applicant, and are in the process of executing the agreement. Subject to finalisation of those formalities National Grid expects to be in a position to formally withdraw its representations on the application by the next PINS deadline.

I hope this assists and if you have any queries please do not hesitate to contact me.
