Subject: PROGRESS POWER, EYE AIRFIELD: NON MATERIAL CHANGE APPLICATION

Dear Sir/Madam,

Progress Power Limited (PPL) has submitted an application for a “non-material change” application to the Secretary of State for Business, Energy and Industrial Strategy, which seeks to address the uncertainties and constraints posed by the COVID-19 pandemic, in relation to its ability to formally commence construction works by August 2020, in accordance with the [Progress Power \(Gas Fired Power Station\) Order](#) (‘the Order’). The application seeks to extend the time limit for commencing construction by up to 12 months. No other changes are proposed to the Order.

Before a decision can be made by the Secretary of State, PPL must consult with a variety of persons in accordance with the requirements of the Infrastructure Planning (Change to, and Revocation of, Development Consent Order) Regulations 2011 (‘the 2011 Regulations’). Your organisation has been identified as a consultee.

On behalf of PPL, please find attached a covering letter and Regulation 6 Notice which provide details of how you can access the application documents and how to respond to the consultation.

We are sending this email to you because you have either requested digital copies previously and/or we are aware some premises are closed at this current time so may not be accepting post. However for completeness a copy of the following documents have also been posted to **Breckland Council - NR19 1EE** address:

- Covering Letter;
- A paper copy of a notice pursuant to Section 153 to the Planning Act 2008 and Regulation 6 of The Infrastructure Planning (Change to, and Revocation of, Development Consent Order) Regulations 2011 ('the Regulation 6 Notice')

If you require a hard copy of the application documents then we are happy to provide this on request as set out in the attached Regulation 6 Notice.

The deadline for receipt of your views on the non-material change application is 11.59pm on 10th July 2020. The attached Regulation 6 Notice provides details of how to submit your comments.

We would be grateful if you could confirm receipt of this email. Should you have any queries in respect of the non-material change application then please do not hesitate to contact PPL at info@progresspower.co.uk or on 020 8392 8250.

Kind regards
