Dear Sir/Madam

**Nationally Significant Infrastructure Project: Progress Power (Gas Fired Power Station)
Regulation 6 Notice for non-material change to development consent order**

Thank you for your correspondence of 29 May 2020, noting the application for a non-material change to the Development Consent Order for the above site.

Public Health England (PHE) did not register an interest in this project. It is noted that the proposed change seeks an extension to the deadline for the commencement of authorised development until 13 August 2021.

Following consideration of the information provided we do not wish to raise any issues and our position remains the same.

Yours faithfully

On behalf of Public Health England
