Dear Sirs

Application by Tata Steel UK Limited (Applicant) for an Order Granting Development Consent for Internal Power Generation Enhancement for Port Talbot Steelworks (Order) Issue Specific Hearing on Compulsory Acquisition 25 February 2015

We act on behalf of Network Rail Infrastructure Limited (**Network Rail**). As you are aware Network Rail is currently in negotiations with the Applicant in respect of the rights sought by the Applicant over Network Rail's property in the draft Order. We have provided the Applicant's solicitors with a draft framework agreement and easement for consideration.

Accordingly, Network Rail does not intend to be represented at the issue specific hearing being held by the examining authority (**ExA**) on 25 February 2015.

Following the issue specific hearing should the ExA have any questions for Network Rail, we will be happy to respond on behalf of Network Rail either orally or in writing.

Yours faithfully

Addleshaw Goddard LLP
