Dear Sir/Madam

I write in response to your request made under the Planning Act 2008 (as amended) – Section 55, seeking the National Park Authority's views on the adequacy of consultation on the application made by Tata Steel UK limited for an Order Granting Development Consent for the Internal Power Generation Enhancement for Port Talbot Steelworks.

The National Park Authority is satisfied that the consultation undertaken was adequate.

If you have any further queries please do not hesitate to get in contact

Kind regards

On behalf of Christopher Morgan  
Director of Planning
