This document sets out the itinerary for the accompanied site visit.

Attendance at the site visit includes transport for the interested parties who have confirmed their attendance with the Planning Inspectorate only. Please note that this itinerary includes an indicative route and the order of locations visited may vary. It is not possible to predict how long each part of the visit will last or when particular sites will be visited. Parties wishing to join the visit should attend the advertised starting point at the Tata Steel Visitor Centre at 8:30am prompt.

For those attending, please note that there will be a brief lunch break at around 12:30pm - 13:15pm; lunch will be provided for all attendees. Transport will be provided to take attendees for a tour of the application site and will then visit a number of locations in the vicinity.

The site visit will involve some walking on uneven ground, it is therefore requested that all attendees wear appropriate clothing for the site visit and sturdy footwear. Appropriate Personal Protection Equipment (clothing) will be provided by the applicant to undertake the tour of the application site.

All parties are reminded that the accompanied site visit is not an opportunity to make any representations or discuss evidence. The Examining Authority will not accept any submissions, written or oral, at the site visit. It is an opportunity for the Examining Authority to look at physical features only.
