Dear Sir / Madam

The Infrastructure Planning (Examination Procedure) Rules 2010 (as amended) – Rule 8(3)

Application by Meaford Energy Limited for an Order Granting Development Consent for the Meaford Energy Centre

Notification of variation to the timetable (cancellation of hearings)

Following discussions at the hearings held on 11 & 12 November 2015 at the Yarnfield Conference Centre, Yarnfield, Staffordshire, I consider that a variation to the examination timetable is required.

The dates reserved for Issue Specific Hearings on the 16 & 17 December 2015 are no longer required and I confirm that they are cancelled.

As such, these have now been removed from the timetable. Please note however that this does not restrict me from scheduling further hearings before the close of the examination.

Yours faithfully,

David Richards

David Richards
Examining Authority

Advice may be given about applying for an order granting development consent or making representations about an application (or a proposed application). This communication does not however constitute legal advice upon which you can rely and you should obtain your own legal advice and professional advice as required.

A record of the advice which is provided will be recorded on the National Infrastructure Planning website together with the name of the person or organisation who asked for the advice. The privacy of any other personal information will be protected in accordance with our Information Charter which you should view before sending information to the Planning Inspectorate.
