Dear Sir/Madam

The Infrastructure Planning (Examination Procedure) Rules 2010 (as amended) – Rule 8(3)

Application by Meaford Energy Limited for an Order Granting Development Consent for the Meaford Energy Centre

Notification of variation to the timetable

The purpose of this letter is to advise you that further to submissions already made in this examination and in light of the applicant's revised draft DCO which was submitted at Deadline 6 taking the issues raised and comments into account, I do not propose to issue an Examining Authority's (ExA) version of the draft Development Consent Order (DCO).

As such, this along with the responses to the ExA's draft DCO at Deadline 7 has been removed from the timetable as well as comments on responses to the ExA's draft DCO at Deadline 8.

Following the applicant's submission at Deadline 6 informing that a revised Book of Reference is not required, I have removed responses to this at Deadline 7 as well as comments on responses at Deadline 8.

I have also removed Deadline 9 from the timetable and have varied Deadlines 7 and 8 which are set out in Annex A attached to this letter. In the event that no further information is required, I may decide to close the examination early which you will be notified of in accordance with Section 99 of the Planning Act 2008 (as amended).

Please ensure you make yourselves familiar with these changes and should you have any queries, please contact the Planning Inspectorate's case team.

Yours faithfully
