Dear Sirs

**Application by Meaford Energy Limited for an Order Granting Development Consent for
Meaford Energy Centre
Unique Reference Number: 10031386
On behalf of Western Power Distribution**

We are writing to update you on our client's ongoing negotiations with the applicant over the protective provisions in the draft DCO, to ensure the satisfactory protection of its apparatus and equipment as a statutory undertaker.

Although progress has been made in relation the protective provisions and side agreement, there are a couple of issues which remain outstanding.

Given that these issues have not yet been agreed, WPD must retain its objection to the proposed draft order. However, it is still hoped that agreement will be reached, at which point our client will to withdraw its objection to the draft order.

Yours faithfully

Osborne Clarke LLP
