Dear Ewa,

Thank you for your email.

Following email confirmation (4/1/18) from Sarah Chandler that "Protective Provisions for the benefit of National Grid have been included within the draft Development Consent Order submitted with the DCO Application (Schedule 10, Part 3 – document reference 3.1). MPL are already in discussion with National Grid Gas and will continue to liaise with them through the development of the Project", HSE will not be raising a Relevant Representation for this project.

Kind regards,

Dave Adams
