

Dear Sir/Madam

EN010068, Deadline 4

We are instructed by Network Rail Infrastructure Limited (**Network Rail**) in relation to the DCO application by Millbrook Power Limited (**the Applicant**) for the Millbrook Power Project (**the DCO**).

Further to Network Rail's Deadline 2 Submission to the Examination [**REP2-037**], we confirm its response to relevant Deadline 4 matters as follows.

Response to Deadline 4

Network Rail welcomes the amendments made to the DCO submitted by the Applicant at Deadline 3 [**REP3-003**].

However, further to ongoing discussions and a meeting held between NR and the Applicant (together, **the Parties**) on 7 June 2018, the Parties anticipate that further amendments will be proposed by the Applicant, to resolve Network Rail's outstanding concerns, in relation to:

1. the Requirements in the DCO and
2. bespoke protective provisions for the benefit of Network Rail to be inserted into the DCO.

We hope to respond with a joint position on behalf of the Parties in this regard by the next appropriate deadline.

Hearing dates

We note that the Examining Authority has decided that the hearings scheduled for 4 and 5 July 2018 are not now required.

Network Rail reserved its right to appear at a hearing in its Deadline 1 Submission [**REP1-005**]. We will keep the Examining Authority informed, with as much notice as possible, if Network Rail considers that a hearing will be needed to resolve any outstanding issues of concern to Network Rail.

Yours faithfully
