

## **NETWORK RAIL**

Dear Sir/Madam

### **EN010068, Deadline 5**

We are instructed by Network Rail Infrastructure Limited (**Network Rail**) in relation to the DCO application by Millbrook Power Limited (**Applicant**) for the Millbrook Power Project (**DCO**).

Further to Network Rail's Deadline 4 Submission to the Examination [**4-005**], we update the Examination as follows.

Network Rail and the Applicant are in ongoing discussions regarding:

1. the impact of construction traffic on the level crossing at Green Lane; and
2. the control of traffic using the access road and the installation of appropriate fencing.

To seek to resolve these outstanding issues, Network Rail is liaising with the Applicant with a view to agreeing amendments to the DCO and bespoke protective provisions for the benefit of Network Rail.

We hope to respond with a joint position on behalf of the Applicant and Network Rail at Deadline 6.

Yours faithfully

**Addleshaw Goddard LLP**
