Dear Sir

**Planning Act 2008 (as amended) and The Infrastructure Planning
(Examination Procedure) Rules 2010 (as amended) – Rule 17**

**Application by Millbrook Power Limited for an Order Granting
Development Consent for the Proposed Millbrook Power Project**

Request for further information from all Interested Parties and the Applicant

Proposed Changes to the Original Application

Further to your request for comments on the changes proposed by the Applicant, the Council considers that they do not represent material changes to the application and do not raise any new issues which have not been the subject of assessment. They appear to be a refinement of the original proposals and therefore the Council has no objection to you accepting them.

Yours sincerely

Roy Romans
