Dear Sir / Madam

Notice of Application to make a Non Material Change to Millbrook Generating Station Order 2019 (S.I No. 578)

Further to notification being received from Millbrook Power Limited dated 26 September 2019, I have checked Drawing No. J0008128-002 (which identifies the new site boundary for the above site) against the information held by the Coal Authority and can confirm that the proposed development site is located outside of the defined coalfield.

Accordingly, I can confirm that the Coal Authority has no comments or observations to make on the above project.

Yours faithfully
